SPECIAL PROGRAMMES OF ECONOMIC ASSISTANCE

China, Indonesia, Jamaica, Kuwait, Madagascar*, Peru, Philippines, Saudi Arabia, Sri Lanka, Suriname, Trinidad and Tobago, United Arab Emirates and Yemen: draft resolution

Emergency assistant for humanitarian relief and the economic and social rehabilitation of Somalia

The General Assembly,

Recalling its resolutions 43/206 of 20 December 1988, 44/178 of 19 December 1989, 45/229 of 21 December 1990 and 46/176 of 19 December 1991, the resolutions of the Security Council and the resolutions and decisions of the Economic and Social Council on emergency assistance to Somalia,

Noting with appreciation the cooperation between the United Nations, the Organization of African Unity, the League of Arab States and the Organization of the Islamic Conference in their efforts to resolve the Somali humanitarian, security and political crisis,

Noting also the efforts of the countries of the Horn of Africa and the countries of the Non-Aligned Movement to alleviate the situation in Somalia,

Also noting with appreciation the measures taken by the Secretary-General to mobilize international assistance for Somalia,

---

* On behalf of the African States.

Deeply concerned at the magnitude of human suffering in Somalia, the extensive damage and destruction of villages, towns and cities, the heavy damage inflicted by the civil conflict on the country's infrastructure and the widespread disruption of public facilities and services,

Also gravely concerned by the continually deteriorating situation in Somalia, underlining the urgent need for the accelerated delivery of adequate humanitarian assistance to all parts of the country,

Taking note of the report of the Secretary-General on emergency assistance to Somalia, 1/ and the statement made before the Second Committee of the General Assembly on 29 October 1992 by the Under-Secretary-General for Humanitarian Affairs on Special Economic and Disaster Relief Assistance, 2/

Deeply appreciative of the humanitarian assistance rendered by a number of Member States to alleviate the hardship and suffering of the affected population,

Recalling the principle enunciated in the annex to its resolution 46/182 of 19 December 1991, which states that contributions for humanitarian assistance should be provided in a way which is not to the detriment of resources made available for international cooperation for development,

Noting the importance of the four operational zones for more effective humanitarian and relief assistance under current conditions in the country,

Noting with great satisfaction the humanitarian efforts being deployed by the various entities of the United Nations system and by intergovernmental and non-governmental organizations,

Noting with concern the disastrous impact which the conflict is having on the country's educational system and the total disruption of schooling for all students at the primary, secondary and university levels,

Recognizing the importance of rehabilitating the basic social and economic services at the local level in all operational zones,

Cognizant that the exodus and displacement of skilled and professional manpower is eliminating the country's human resources, which are much needed for rehabilitation, reconstruction and development,
